### 8th Grade Band Night:

This Friday, October 25, you are invited to attend the The Ware County High School Football Game! The night will serve as both Homecoming and 8th Grade Band Night. You will need to bring your instrument and meet behind Williams Heights at 5:30pm to work on music with the Ware County High School and Waycross Middle School Bands. You will need to wear your Gold Pep Band Shirt and nice jeans (preferably with no holes) for the performance.

All band members will go into the stadium together (students will not have to pay). Parents must go to the main entrance and purchase tickets for entry. The combined bands will perform on the field for Pre-Game at 7pm. After the Pre-Game performance, the 8th Grade Bands will join the High School Band in the stands to play and cheer on our Mighty Gators.

Your parents can pick you up after halftime in the stands or after the game. I will need to see you leave with your parents or you will need a note from your parents stating you can leave with someone else other than a parent or guardian. **The person who picks you up MUST come and check you out through me.** You will not be allowed to walk around during halftime. You will stay with a parent/chaperone while the band is performing.

You will receive a *FREE* meal after halftime and then return to the stands. You will remain in the stands until you are checked out.

We are looking forward to having a great night and hope that you will join us. Be sure to invite your family and friends to see you perform. If there are any questions or concerns, please contact me via email or call the band room office.

Thanks,  
Mr. Williams
