

Name: _____

WCMS 6th GRADE
BAND KARATE

“Pass-Offs” are a predetermined set of assignments that students play to demonstrate mastery of skills and standards. Students can set their own pace, choose when they play, and can have future attempts if more work is needed. *(Note: Students are expected to achieve BLACK BELT “BAND NINJA” status by the end of the school year.)* Special recognition will be given during our Winter and Spring Concerts for student achievement of belt levels. For every “belt” earned, students will receive a WCMS Band Armband in that color to be worn or put on their instrument case. “Belts” must be earned in the order listed below; no skipping levels! Students can choose to attempt to earn their belts during the last few minutes of their class (time permitting), at the end of the school day (ELT), after school, or online via FlipGrid.
